ABOUT THIS PUBLICATION

The Business Excellence Awards & International Conference 2026 marks an important milestone in the Sarhad Chamber of Commerce & Industry's continuing commitment to international trade, investment promotion, entrepreneurship and regional economic cooperation.

This Official Handbook has been prepared as a principal reference document for delegates, policymakers, investors, diplomats, chambers of commerce, development partners and business leaders participating in the conference and business delegation to the Republic of Uzbekistan.

The publication serves as both a commemorative record of the Business Excellence Awards & International Conference 2026 and a practical reference for businesses seeking to explore opportunities for trade, investment and institutional collaboration between Pakistan and Uzbekistan.

It presents the institutional profile of SCCI, highlights the significance of the Business Excellence Awards, explores emerging opportunities for bilateral trade and investment, showcases participating enterprises and records the wider purpose of the conference.

SCCI hopes that this publication will remain useful beyond the event itself, serving as a practical resource for businesses seeking enduring commercial relationships across the region.

DEDICATION

Dedicated to Late Senator Ilyas Ahmad Bilour; the Builder of Enterprises and Regional Prosperity

This publication is respectfully dedicated to the cherished memory of Late Senator Ilyas Ahmad Bilour—visionary industrialist, distinguished parliamentarian, former President of the Sarhad Chamber of Commerce & Industry (SCCI), former President of the Federation of Pakistan Chambers of Commerce & Industry (FPCCI) and one of Pakistan's most respected champions of trade, industry and private enterprise.

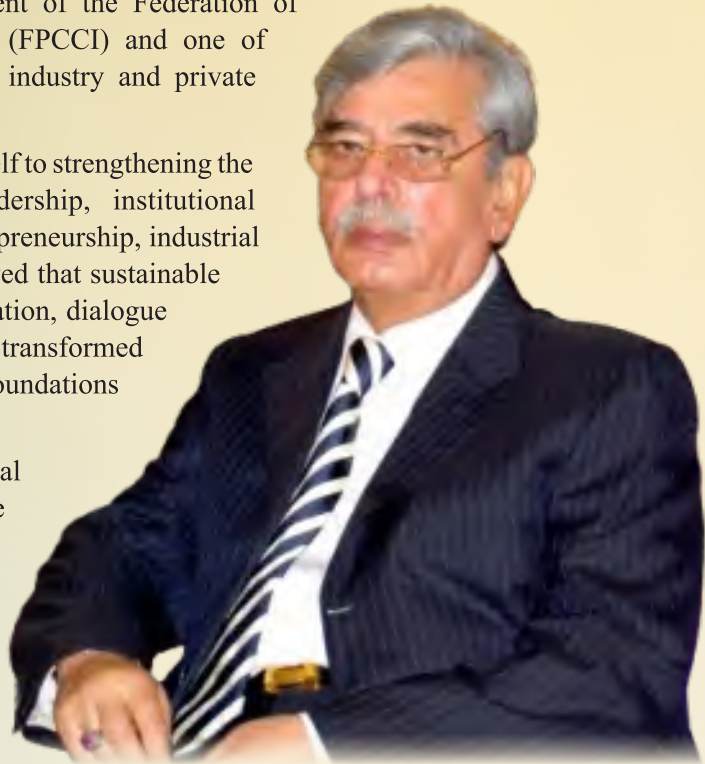

Throughout his life, Senator Bilour devoted himself to strengthening the business community through principled leadership, institutional development and unwavering advocacy for entrepreneurship, industrial growth and economic progress. He firmly believed that sustainable prosperity is achieved through enterprise, innovation, dialogue and international cooperation. His leadership transformed SCCI into a stronger voice for business and laid foundations that continue to guide its mission today.

The Business Excellence Awards & International Conference 2026 reflects many of the ideals he championed—recognising excellence, promoting responsible enterprise, strengthening trade diplomacy and building enduring partnerships between nations. As the business communities of Pakistan and the Republic of Uzbekistan come together in a spirit of friendship and shared opportunity, this publication honours the vision of a leader who believed that commerce is one of the strongest bridges between people, economies and cultures.

This dedication also honours the entrepreneurs, industrialists, exporters, investors and business leaders whose innovation, resilience and commitment continue to drive economic growth, create employment and advance regional prosperity. Their achievements embody the values that Senator Bilour devoted his life to promoting.

May Almighty Allah grant him eternal peace and the highest place in Jannat. May his legacy continue to inspire generations of business leaders to pursue excellence, serve with integrity and strengthen the bonds of trade, cooperation and shared prosperity.

His vision lives on—in every enterprise that grows, every partnership that flourishes and every opportunity created for future generations.

“Enterprise builds economies. Partnership builds prosperity.”

Connecting Businesses Creating Opportunities Building Regional Prosperity

Economic growth in the twenty-first century depends not merely on trade, but on meaningful partnerships, innovation, regional integration and the ability of businesses to collaborate across borders. The Business Excellence Awards & International Conference 2026 has been conceived with this vision at its core.

Hosted in the vibrant capital of the Republic of Uzbekistan, the conference brings together entrepreneurs, industrialists, exporters, investors, policymakers and institutions from Pakistan and Uzbekistan to explore new avenues of cooperation in trade, investment, technology, manufacturing, logistics and industrial development.

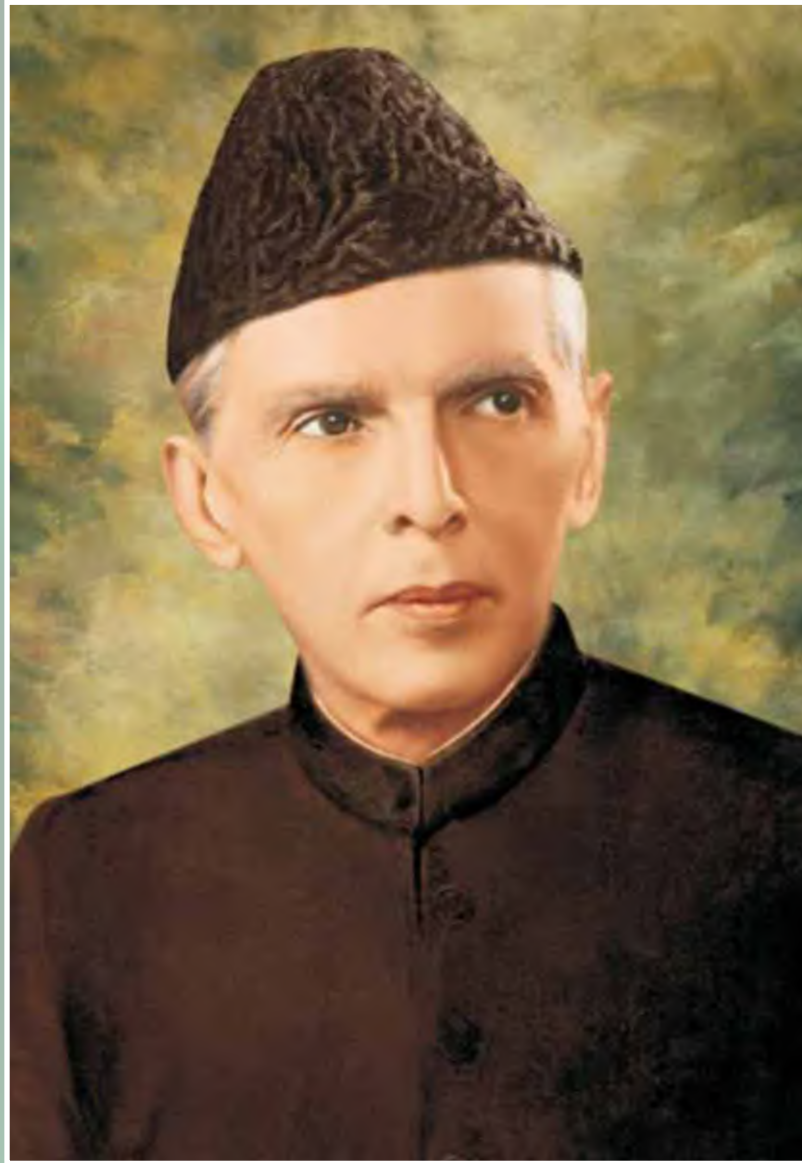

For SCCI, this initiative reflects a strategic commitment to positioning Peshawar and Khyber Pakhtunkhwa as Pakistan's gateway to Central Asia and strengthening the role of the private sector in advancing regional economic integration.

The conference also celebrates excellence by recognizing organizations and business leaders whose achievements exemplify innovation, leadership, resilience and responsible enterprise.

As delegates engage in dialogue, B2B meetings, investment discussions and institutional cooperation, the conference seeks to transform ideas into partnerships and partnerships into sustainable economic opportunities.

Together, we celebrate excellence. Together, we build partnerships. Together, we shape a more prosperous future.

*"When businesses connect across borders,
economies grow stronger together."*

SCCI: CONNECTING KHYBER PAKHTUNKHWA TO THE WORLD

About the Sarhad Chamber of Commerce & Industry

Established in 1958, the Sarhad Chamber of Commerce & Industry (SCCI), Peshawar, stands among Pakistan's oldest and most respected representative organisations of trade, industry and commerce.

For more than six decades, SCCI has promoted economic growth, industrial development, entrepreneurship and private-sector advocacy in Khyber Pakhtunkhwa.

As the apex representative institution of the province's business community, SCCI serves as a bridge between the private sector and public institutions, ensuring that the concerns of entrepreneurs, industrialists, exporters and investors are communicated effectively to policymakers.

Through advocacy, trade facilitation, investment promotion, international delegations and institutional partnerships, the Chamber contributes to a more competitive and business-friendly environment.

As Pakistan deepens engagement with Central Asia, SCCI remains committed to positioning Khyber Pakhtunkhwa and Peshawar in particular, as a strategic gateway for trade, investment and regional connectivity.

SCCI: A CATALYST FOR BUSINESS GROWTH

**Advocacy * Facilitation * International * Engagement*

The Sarhad Chamber of Commerce & Industry is more than a representative institution; it is a strategic partner in the growth and development of the private sector. Through advocacy, facilitation and innovation, the Chamber supports businesses at every stage of development and promotes an enabling environment for sustainable enterprise.

ADVOCACY

Policy representation
Trade and investment recommendations
Research and market intelligence
Ease-of-doing-business reforms

BUSINESS SERVICES

Documentation and certification.
Capacity-building programmes
B2B networking
Support for entrepreneurship and SMEs

INTERNATIONAL ENGAGEMENT

Trade delegations
Investment missions
International conferences
Chamber-to-chamber collaboration

The Chamber remains committed to fostering a competitive business ecosystem that encourages innovation, strengthens industrial productivity and expands the global footprint of businesses from Khyber Pakhtunkhwa.

OUR VISION, MISSION & CORE VALUES

Guiding institutional service and international engagement

Vision

To be the leading catalyst for trade, industry and investment, empowering businesses through innovation, advocacy and international engagement while contributing to sustainable economic growth and regional prosperity.

Mission

To represent and safeguard the interests of the business community through effective policy advocacy, business facilitation, international partnerships and initiatives that enhance competitiveness, promote exports and create opportunities for investment and industrial development.

Core Values

Leadership

Visionary leadership that supports enterprise development and regional cooperation.

Collaboration

Partnerships among businesses, governments and institutions.

Service

Member-focused services that strengthen competitiveness.

Integrity

Transparency, professionalism and ethical conduct in all engagements.

Innovation

Entrepreneurship, technology and creative solutions for emerging challenges.

Excellence

Quality, innovation and continuous improvement across business and industry.

Sustainability

Responsible practices supporting long-term economic and social well-being.

SCCI AT A GLANCE

Established:	1958
Headquarters:	Peshawar
Province:	Khyber Pakhtunkhwa
Core Role:	Trade, Industry & Commerce
Focus:	Advocacy, Facilitation & International Engagement

MESSAGE FROM THE PRESIDENT

Sarhad Chamber of Commerce & Industry

It is my pleasure to welcome you to the Business Excellence Awards & International Conference 2026, organised by the Sarhad Chamber of Commerce & Industry in Tashkent, Republic of Uzbekistan.

This landmark event is more than a celebration of business excellence. It reflects a shared commitment to economic cooperation, regional connectivity and new opportunities through private-sector engagement.

For over six decades, SCCI has represented the business community of Khyber Pakhtunkhwa by promoting entrepreneurship, advocating for industry, supporting exports and building bridges across borders. Uzbekistan is a strategic and symbolic host. Pakistan and Uzbekistan share deep historical, cultural and commercial ties and both countries now stand at the threshold of a new era of cooperation.

As Pakistan's gateway to Central Asia, Khyber Pakhtunkhwa offers entrepreneurial strength, industrial capability and a strategic location for trade and investment. I warmly welcome all delegates and wish them productive business engagements.

Junaid Altaf

*“Our greatest achievement will not be the awards we present today,
but the partnerships we build for tomorrow.”*

MESSAGE FROM THE GROUP LEADER

Businessmen Forum

It is an honour to welcome distinguished delegates, business leaders, diplomats, policymakers and guests to the Business Excellence Awards & International Conference 2026 in the Republic of Uzbekistan.

SCCI has always believed that sustainable economic progress is built upon strong institutions, visionary leadership and meaningful commercial engagement.

As the global economy evolves, businesses must look beyond traditional markets and embrace regional cooperation. Pakistan and Uzbekistan offer timely opportunities in investment, manufacturing, technology, logistics and innovation.

For Khyber Pakhtunkhwa, this engagement carries special significance. The province has historically served as Pakistan's gateway to Central Asia and possesses the talent, industrial capacity and location required for regional commerce.

Ghazanfar Bilour

I commend the SCCI leadership, Executive Committee, Awards Committee, Secretariat and organising team for presenting this important initiative. I congratulate all award recipients and delegates and wish every participant a memorable stay in Uzbekistan.

“Economic cooperation begins with trust and grows through enterprise.”

MESSAGE FROM THE CHAIRMAN

Business Excellence Awards Organizing Committee

It is a privilege to welcome you to the Business Excellence Awards & International Conference 2026, organised by the Sarhad Chamber of Commerce & Industry in the Republic of Uzbekistan.

This event represents months of planning, coordination and cooperation with valued partners in Pakistan and Uzbekistan. The programme has been designed to help delegates connect, exchange ideas and explore new avenues for growth.

Our objective extends beyond organising a successful conference. We seek to create a platform for entrepreneurs, industrialists, investors, policymakers and institutions to establish long-term commercial relationships.

The Business Excellence Awards recognise organisations and leaders whose commitment to innovation, quality, professionalism and responsible enterprise contributes to economic development.

Faiz Muhammad

I extend sincere appreciation to the SCCI leadership, Chamber Secretariat, organising teams, sponsors, partner institutions and delegates whose cooperation has made this event possible. I congratulate all award recipients and wish every participant a productive conference.

“Every successful business mission begins with meaningful dialogue.”

MESSAGE FROM H.E MR. MUHAMMAD MUDASSIR TIPU, Ambassador-Designate of Pakistan to Uzbekistan

It gives me immense pleasure to welcome the distinguished delegation of the Sarhad Chamber of Commerce and Industry (SCCI), Peshawar, to Tashkent on the occasion of the Business Excellence Awards and International Conference 2026.

This important initiative reflects the shared vision of the leadership of Pakistan and Uzbekistan to strengthen bilateral economic ties through enhanced trade, investment, regional connectivity and private-sector collaboration. The visits of Prime Minister of Pakistan H.E Muhammad Shehbaz Sharif to Uzbekistan in 2025 and President of Uzbekistan H.E Shavkat Mirziyoyev to Pakistan in February 2026 reaffirm the commitment of both countries to deepen economic cooperation and achieve the shared goal of increasing bilateral trade to USD 2 billion.

Trade between Pakistan and Uzbekistan has increased more than 300% since 2018. Uzbekistan, the fastest-growing economy in the CIS region with 7.7% GDP growth in 2025, and Pakistan, with a GDP exceeding USD 400 billion, a population of around 240 million,

strategic seaports, and a skilled workforce with internationally recognized expertise in textiles and garments, pharmaceuticals, leather, agriculture and food processing, offer tremendous opportunities for expanding trade, investment, joint ventures and regional value chains.

I commend the Sarhad Chamber of Commerce and Industry for organizing this timely initiative, which provides an excellent platform for entrepreneurs and business leaders from both countries to forge new partnerships and explore mutually beneficial opportunities. The Embassy of Pakistan in Tashkent remains fully committed to facilitating business-to-business linkages and supporting initiatives that further strengthen the economic partnership between our two brotherly countries.

I wish all delegates a productive conference, successful business engagements and a pleasant stay in Uzbekistan.

H.E Mr. Alisher Tukhtayev,
Ambassador Extraordinary and Plenipotentiary
of the Republic of Uzbekistan to
the Islamic Republic of Pakistan

INTERNATIONAL ENGAGEMENT & ECONOMIC DIPLOMACY

Connecting KP businesses with regional and global markets

In an increasingly interconnected world, economic diplomacy has become an essential pillar of sustainable development. Recognising this reality, the Sarhad Chamber of Commerce & Industry has consistently expanded its international outreach to create new opportunities for its members and strengthen Pakistan's economic engagement with regional and global markets.

Through trade missions, international exhibitions, investment forums and chamber-to-chamber collaboration, SCCI facilitates dialogue between businesses, governments and investors. These initiatives enable members to explore new markets, identify strategic partners, attract investment and strengthen export competitiveness.

The Chamber has pursued institutional partnerships with chambers of commerce, trade promotion organizations, diplomatic missions and international development agencies. These engagements support knowledge exchange, business matchmaking, policy dialogue and investment cooperation.

The Business Excellence Awards & International Conference 2026 represents another milestone in SCCI's international journey. By leading a multi-sector business delegation to Uzbekistan and promoting structured business-to-business engagement, the Chamber seeks to deepen economic cooperation between Pakistan and Central Asia while creating tangible opportunities for businesses in Khyber Pakhtunkhwa.

PESHAWAR: PAKISTAN'S GATEWAY TO CENTRAL ASIA

A historic trading city with a modern regional role

For centuries, Peshawar has stood at the crossroads of civilizations, connecting South Asia with Central Asia through trade, culture and commerce. Today, that historic role is evolving into a modern economic opportunity.

As the capital of trade and commerce in Khyber Pakhtunkhwa, Peshawar offers a unique combination of entrepreneurial talent, industrial capability and strategic geography. The city is home to a diverse business community engaged in pharmaceuticals, manufacturing, construction materials, food processing, agriculture, logistics, packaging, education, retail, information technology and professional services.

Its proximity to regional trade corridors, combined with the entrepreneurial spirit of its business community, positions Peshawar as a natural partner for Uzbekistan and the wider Central Asian region. The city's businesses are increasingly looking beyond traditional markets to pursue exports, technology transfer, joint ventures and industrial cooperation.

The official SCCI delegation to Uzbekistan reflects this diversity, bringing together representatives from pharmaceuticals, manufacturing, packaging, logistics, FMCG, agriculture, education, construction and other sectors. It demonstrates the breadth of Khyber Pakhtunkhwa's private sector and its readiness to engage with

"Peshawar's historic role as a gateway is now becoming a modern platform for regional business cooperation."

BUSINESS EXCELLENCE AWARDS

Recognising Excellence • Inspiring Leadership • Shaping the Future

BUSINESS EXCELLENCE AWARDS

Celebrating the spirit of enterprise

Every thriving economy is built upon the determination of entrepreneurs, the resilience of businesses and the vision of leaders who create opportunities, generate employment and contribute to national development. Their success extends beyond commercial achievement; it strengthens industries, encourages innovation, expands exports and improves the quality of life for communities.

Recognising these contributions is essential to building a culture of excellence. It inspires confidence, encourages continuous improvement and motivates future generations to pursue higher standards of leadership and performance.

With this vision, the Sarhad Chamber of Commerce & Industry established the Business Excellence Awards as its flagship recognition programme. The Awards honour enterprises and business leaders who have demonstrated outstanding achievement while upholding the values of innovation, integrity, professionalism and responsible business conduct.

The Business Excellence Awards are more than ceremonial recognition. They represent SCCI's commitment to encouraging businesses that create sustainable value for stakeholders, contribute to economic growth and strengthen Pakistan's competitiveness in regional and international markets.

The 2026 edition, held alongside the International Conference in Tashkent, further reflects SCCI's vision of linking excellence with international engagement. By celebrating achievement on an international platform, the Chamber reinforces confidence in the business community of Khyber Pakhtunkhwa and showcases its capabilities to partners across Central Asia.

SCCI BUSINESS EXCELLENCE AWARD &

PAK-THAI BILATERAL TRADE INVESTMENT OPPORTUNITIES CONFERENCE

20-25 JULY 2022

WHY BUSINESS EXCELLENCE MATTERS

Beyond performance: building responsible and competitive enterprises

In today's competitive global economy, business excellence is no longer measured solely by revenue or market share. Modern enterprises are expected to demonstrate innovation, responsible governance, operational efficiency, customer focus, environmental stewardship and social responsibility.

The strongest organizations continually improve, embrace change, invest in people and technology and create long-term value for customers, employees, shareholders and society.

For the business community of Khyber Pakhtunkhwa, excellence is particularly significant. The province's enterprises operate in an increasingly interconnected marketplace where competitiveness depends on quality, innovation and adaptability. Businesses that embrace these principles become ambassadors of Pakistan's private sector and contribute to stronger economic ties with regional and international markets.

The Business Excellence Awards encourage this culture of continuous improvement. They recognize organizations that lead by example and inspire others to pursue excellence as an ongoing journey rather than a single achievement.

"Excellence is not an event; it is a culture of continuous improvement."

THE SCCI EXCELLENCE FRAMEWORK

A balanced approach to recognising organisational achievement

The Business Excellence Awards are guided by a comprehensive evaluation framework that reflects internationally recognised principles of organisational excellence. Rather than focusing on a single measure of success, SCCI recognises enterprises that demonstrate balanced performance across multiple dimensions of business leadership.

The framework encourages sustainable growth, innovation and responsible business practices. Applicants are assessed on quantitative performance indicators and qualitative achievements, ensuring that recognition is based on merit, integrity and long-term impact. The application process captures information on company profile, business performance, innovation, exports, workforce, sustainability, governance, corporate social responsibility and supporting documentation.

HOW EXCELLENCE IS EVALUATED

Transparent criteria for recognising measurable achievement

The Business Excellence Awards seek to recognise organizations that have demonstrated measurable achievement while maintaining high standards of governance, ethics and corporate responsibility. The evaluation considers a broad range of business indicators, grouped into six principal areas.

Evaluation Area	Indicators
Business Performance	Tax contribution; Revenue growth; investment; export performance; employment generation
Innovation	New products and services; technology adoption; digital transformation; automation and process improvement
Export Development	Export destinations; export growth; international market expansion
Workforce Development	Skills development; human resource investment; employee well-being; inclusive workplaces
Sustainability & CSR	Renewable energy; water conservation; waste reduction; environmental stewardship; community development; social investment
Governance	Transparency; regulatory compliance; professional management; supporting documentation and certifications

This comprehensive approach ensures that recipients are recognised not simply for commercial success, but for demonstrating excellence in leadership, innovation and sustainable enterprise.

“The evaluation framework recognises balanced performance, responsible governance and long-term business impact.”

CATEGORIES OF EXCELLENCE

Recognising achievement across established and emerging sectors

The Business Excellence Awards recognise excellence across a diverse range of industries and business disciplines, reflecting the evolving priorities of the modern economy.

Business Excellence Gold Medal Categories	Business Excellence Trophy Categories
Industrial Excellence	Export Excellence
Commercial Excellence	Growth & Market Expansion
Services Excellence	Innovation & Digital Transformation
Retail Excellence	Startup / New Venture
Construction Excellence	Young Entrepreneur
Governance	Female Entrepreneur
Tax Contribution	Banking Excellence
	Telecom & Connectivity
	Workforce Development
	Sustainability & Green Economy
	CSR & Social Impact
	National Brand Franchise

These categories demonstrate SCCI's commitment to recognising excellence across established industries as well as emerging areas of innovation, sustainability and entrepreneurship.

CHARACTERISTICS OF AN AWARD-WINNING ENTERPRISE

The values that distinguish modern business excellence

“Award-winning enterprises succeed because they combine performance with purpose.”

An award-winning enterprise is distinguished not only by commercial success, but also by the values it upholds and the impact it creates. In the context of the Business Excellence Awards, excellence is understood as a balanced combination of leadership, growth, innovation, governance, responsibility and contribution to society.

Visionary Leadership Ethical direction, strategic clarity and responsible decision-making.	Innovation Continuous improvement, product development and technology adoption.	Sustainable Growth Long-term expansion supported by sound business fundamentals.
Governance Transparency, compliance and professional management systems.	People Development Investment in skills, workforce well-being and inclusive workplaces.	Market Reach Customer focus, export orientation and market expansion.
Environmental Responsibility Efficient use of resources and responsible environmental practices.	Social Impact Meaningful contributions to communities through CSR and social investment.	Resilience Adaptability, strategic thinking and the ability to respond to change.

Together, these qualities define the modern enterprise and contribute to stronger industries, more competitive markets and sustainable economic development.

EXCELLENCE WITHOUT BORDERS

Recognition as a platform for international engagement

The Business Excellence Awards & International Conference 2026 reflects a broader vision than recognising business achievement alone. By hosting the Awards in Tashkent, Republic of Uzbekistan, SCCI has positioned the programme as a platform for economic diplomacy, international networking and regional cooperation.

The conference programme brings together Business-to-Business (B2B) meetings, institutional engagement, industrial visits and opportunities to facilitate commercial partnerships and Memoranda of Understanding (MoUs). In this way, the Awards form part of a wider strategy to promote trade, investment and collaboration between Pakistan and Uzbekistan.

As businesses from Khyber Pakhtunkhwa engage with counterparts in Uzbekistan, the Awards become a symbol of confidence, capability and international aspiration. They celebrate organisations prepared not only to succeed domestically, but also to compete, collaborate and contribute on the regional and global stage.

“Excellence is not merely recognised; it is shared, celebrated and transformed into opportunity.”

BUSINESS EXCELLENCE AWARDS & INTERNATIONAL CONFERENCE 2026

PAKISTAN & UZBEKISTAN

Partners in Progress
Connecting South Asia with Central Asia

Pakistan and Uzbekistan are strengthening economic cooperation through trade, connectivity and private-sector engagement.

“Partnerships are built on trust, strengthened through dialogue and sustained by shared prosperity.”

A NEW ERA OF ECONOMIC COOPERATION

Pakistan–Uzbekistan partnership in focus

The relationship between Pakistan and the Republic of Uzbekistan is entering a dynamic phase shaped by economic cooperation, regional connectivity and private-sector engagement. While the two countries have long been connected through history, culture and commerce, today's partnership is increasingly driven by trade, investment, logistics, industrial collaboration and B2B engagement.

Both countries recognise that sustainable economic growth depends on stronger regional integration and improved commercial connectivity. With complementary economic strengths, Pakistan and Uzbekistan have significant potential to expand bilateral trade, encourage joint ventures, facilitate technology transfer and strengthen supply chains across South and Central Asia.

The Business Excellence Awards & International Conference 2026 reflects this shared vision. By bringing together entrepreneurs, industrialists, investors, policymakers and institutions in Tashkent, the event seeks to transform diplomatic goodwill into practical business partnerships and long-term commercial cooperation.

WHY UZBEKISTAN MATTERS

To the business community of Khyber Pakhtunkhwa

Uzbekistan is the most populous country in Central Asia and has emerged as one of the region's most reform-oriented economies. Economic liberalisation, industrial diversification, infrastructure investment and an increasingly business-friendly environment have positioned Uzbekistan as an attractive destination for international trade and investment.

For the business community of Khyber Pakhtunkhwa, Uzbekistan offers more than a new export destination. It represents a strategic gateway to the broader Central Asian region.

The province's entrepreneurs possess strong capabilities in pharmaceuticals, construction materials, packaging, food processing, agriculture, engineering products, education, healthcare and logistics—sectors that align closely with Uzbekistan's economic priorities and development agenda.

By establishing partnerships with Uzbek businesses, enterprises from Khyber Pakhtunkhwa can access new markets, explore joint ventures, strengthen supply chains and diversify their international presence. Uzbekistan, in turn, can benefit from Pakistan's manufacturing expertise, entrepreneurial ecosystem and access to international maritime routes through Karachi, Port Qasim and Gwadar.

TRADE, GROWTH & PROSPERITY

FROM SILK ROAD TO

Connecting Heritage

BUSINESS EXCELLENCE AWARDS & INTERNATIONAL CONFERENCE 2026

A SHARED HERITAGE — A SHARED FUTURE

From historic trade routes to modern value chains

Long before modern borders were established, the regions that today constitute Pakistan and Uzbekistan were connected through the ancient trade routes of Central and South Asia. Merchants, scholars, artisans and travellers moved across these corridors, enabling the exchange of goods, knowledge, ideas and culture.

Historic cities such as Peshawar, Samarkand, Bukhara and Tashkent flourished as centres of commerce, learning and civilisation. These enduring connections provide a strong foundation for contemporary economic partnership.

Today, both countries are writing a new chapter in this shared history. Modern transport infrastructure, digital connectivity, trade facilitation initiatives and institutional cooperation offer new opportunities to revive commercial linkages in ways that meet the demands of the twenty-first century.

TO GLOBAL TRADE

. Building Futures.

LOGISTICS

GROWTH

PARTNERSHIP

PESHAWAR

Pakistan's historic gateway to Central Asia

For centuries, Peshawar has served as one of South Asia's most important commercial centres, connecting traders, merchants and travellers across the ancient Silk Route. Its strategic location has made the city a natural bridge between Pakistan and Central Asia.

Today, Peshawar continues to play a vital role in regional commerce. As the commercial capital of Khyber Pakhtunkhwa, it is home to a dynamic business community representing manufacturing, pharmaceuticals, food processing, construction materials, logistics, agriculture, education, healthcare, information technology and other sectors.

The city's entrepreneurial culture, strategic geography and institutional support through the Sarhad Chamber of Commerce & Industry position it as an ideal partner for businesses seeking to engage with Central Asia.

The official SCCI delegation to Uzbekistan demonstrates the diversity and capability of the province's private sector and reflects a collective commitment to expanding commercial engagement and regional economic integration.

TRADE & INVESTMENT OPPORTUNITIES

Complementary strengths across priority sectors

Economic cooperation between Pakistan and Uzbekistan extends across sectors where both countries possess complementary strengths. These opportunities closely correspond to the composition of the SCCI delegation and the practical needs of regional markets.

FOCUS SECTORS FOR COOPERATION

BUILDING PARTNERSHIPS • DRIVING GROWTH • SHAPING A SHARED FUTURE

CONNECTIVITY

The foundation of regional prosperity

Trade cannot flourish without connectivity. Efficient transport corridors, streamlined customs procedures, digital trade facilitation and integrated logistics networks are essential for reducing costs, improving competitiveness and expanding market access.

Pakistan's strategic location provides Uzbekistan with access to international maritime routes through Karachi, Port Qasim and Gwadar. In return, Uzbekistan offers Pakistani businesses a gateway to the broader Central Asian market.

Enhanced connectivity between South Asia and Central Asia has the potential to transform regional commerce, encourage industrial collaboration and create new opportunities for businesses across both regions.

“Connectivity turns geography into opportunity.”

FROM BUSINESS DIPLOMACY TO ECONOMIC PARTNERSHIP

The role of chambers and private-sector institutions

Modern diplomacy extends beyond governments. Chambers of commerce, business associations and private-sector institutions increasingly play a central role in strengthening international economic relations.

The Sarhad Chamber of Commerce & Industry has consistently embraced this responsibility by organising international trade delegations, facilitating B2B meetings, encouraging institutional cooperation and promoting investment dialogue.

The Business Excellence Awards & International Conference 2026 is an important example of this approach. By bringing together businesses, government institutions and investment promotion agencies, the conference seeks to establish long-term commercial partnerships and facilitate future collaboration through MoUs, joint ventures and strategic alliances.

LOOKING AHEAD

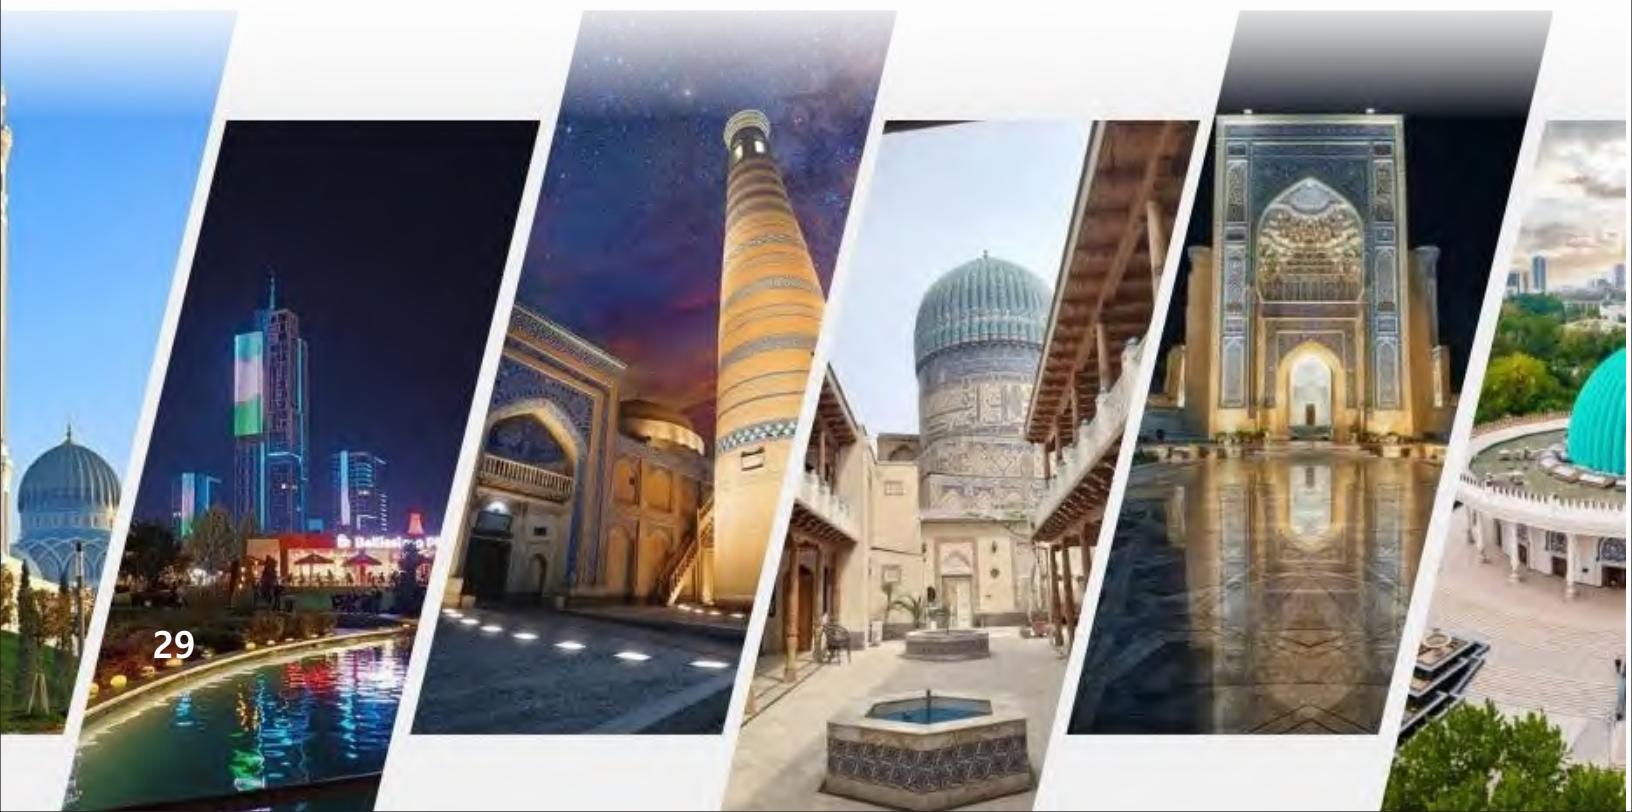

The future of Pakistan-Uzbekistan economic cooperation is defined by opportunity.

As regional connectivity improves and private-sector engagement deepens, businesses from both countries will be better positioned to expand trade, diversify markets, develop joint ventures and participate in regional value chains.

The Sarhad Chamber of Commerce & Industry envisions Khyber Pakhtunkhwa as Pakistan's principal gateway for commerce with Central Asia, while Uzbekistan stands as a trusted partner in building stronger economic, industrial and investment relationships.

"Regional prosperity begins when opportunity is matched with trust, connectivity and enterprise."

UZBEKISTAN

Gateway to Central Asia,
Partner in Prosperity

UZBEKISTAN

Gateway to Central Asia, Partner in Prosperity

Situated at the heart of Central Asia, the Republic of Uzbekistan is one of the region's most strategically positioned and economically dynamic nations. With a rich cultural heritage, a modernising economy and an ambitious reform agenda, Uzbekistan has emerged as an important destination for international trade, investment and industrial cooperation.

As the most populous country in Central Asia, Uzbekistan plays a pivotal role in connecting markets across Central Asia, South Asia, the Caucasus and beyond. Its strategic location, expanding industrial base and commitment to economic liberalisation have created new opportunities for businesses seeking long-term partnerships and market expansion.

Recent reforms aimed at improving the business environment, encouraging private-sector participation, attracting foreign investment and strengthening regional connectivity have enhanced investor confidence and opened new avenues for cooperation across manufacturing, pharmaceuticals, agriculture, logistics, information technology, renewable energy and infrastructure.

“Uzbekistan represents a gateway to Central Asia and a strategic partner for Khyber Pakhtunkhwa's private sector.”

AN ECONOMY IN TRANSFORMATION

Uzbekistan is undergoing one of the most significant economic transformation programmes in Central Asia. Wide-ranging reforms have focused on liberalising markets, strengthening private enterprise, improving the investment climate and modernising key sectors of the economy.

These reforms have encouraged greater participation by domestic and international investors while supporting industrial diversification and export-oriented growth. As a result, Uzbekistan has become an increasingly attractive destination for regional and international business.

Several sectors have experienced notable expansion, including manufacturing, pharmaceuticals, construction materials, agriculture, textiles, food processing, mining, chemicals and information technology.

The Government of Uzbekistan has also prioritised digital transformation, industrial modernisation, infrastructure development and renewable energy, creating opportunities for international cooperation and private-sector investment.

For businesses from Pakistan, particularly those in Khyber Pakhtunkhwa, these developments provide an opportunity to establish commercial partnerships that combine complementary strengths and support sustainable economic growth.

Uzbekistan's Economic Priorities

Manufacturing	Pharmaceuticals	Agriculture	Energy
ICT	Logistics	Tourism	Construction

CONNECTING MARKETS.

Peshawar → Torkham → Afghanistan

WHY UZBEKISTAN MATTERS TO KHYBER PAKHTUNKHWA

The economic relationship between Uzbekistan and Khyber Pakhtunkhwa is founded upon geographical proximity, complementary industries and a shared interest in expanding regional trade.

Businesses from Khyber Pakhtunkhwa possess strong capabilities in pharmaceuticals, construction materials, packaging, engineering products, food processing, agriculture, logistics and professional services. Many of these sectors align closely with Uzbekistan's industrial priorities and growing consumer market.

For exporters, Uzbekistan offers opportunities to diversify beyond traditional destinations. For manufacturers, it presents possibilities for technology collaboration, contract manufacturing and distribution partnerships. For investors, it provides access to a rapidly developing economy positioned at the centre of Central Asia.

Likewise, Uzbekistan's industries can benefit from Pakistan's entrepreneurial capabilities, manufacturing experience and direct access to international sea routes through Karachi, Port Qasim and Gwadar.

The participation of a multi-sector SCCI delegation in this conference reflects the confidence of the province's business community in the long-term potential of this partnership.

“The strength of this partnership lies in complementary sectors, regional proximity and private-sector ambition.”

CREATING OPPORTUNITIES.

istan Transit Corridor → Uzbekistan

HIGH-POTENTIAL SECTORS FOR COLLABORATION

Market-access research on Uzbekistan highlights several sectors where Pakistani businesses may find promising opportunities, including pharmaceuticals, medical products, construction materials, processed foods and agricultural products. These sectors align closely with the strengths represented in the SCCI delegation and reinforce the strategic relevance of this conference.

Freight forwarding •
Regional distribution

TASHKENT

A City of Opportunity

As the capital of Uzbekistan, Tashkent is the country's political, economic and commercial centre. It is home to major government institutions, financial organisations, industrial enterprises, universities and international businesses.

The city combines modern infrastructure with a rich cultural heritage and serves as the principal gateway for investment, trade exhibitions, international conferences and business forums.

For visiting delegates, Tashkent offers more than a venue. It provides direct exposure to Uzbekistan's evolving business environment, industrial capabilities and investment ecosystem.

The choice of Tashkent as the host city for the Business Excellence Awards & International Conference 2026 reflects its growing importance as a regional centre for commerce, innovation and international cooperation.

“Tashkent offers delegates direct exposure to Uzbekistan's evolving investment and business ecosystem.”

INVESTMENT CLIMATE

Uzbekistan has implemented reforms aimed at improving the business environment, attracting foreign investment and encouraging industrial development. Investors benefit from ongoing modernisation efforts, expanding industrial zones, infrastructure improvements and increasing support for private enterprise.

The country's strategic location also makes it an attractive base for businesses seeking access to broader Central Asian markets.

For Pakistani companies, particularly SMEs and export-oriented industries, Uzbekistan offers opportunities to establish partnerships that support long-term commercial growth.

Investment Priority Snapshot

Industrial Zones	Infrastructure	Private Enterprise
Foreign Investment	Regional Markets	SME Partnerships

FROM TRADE TO PARTNERSHIP

Successful international business relationships are built not only through the exchange of goods but through trust, knowledge-sharing and long-term collaboration.

The purpose of this conference is therefore broader than promoting exports. It is about creating enduring partnerships between businesses, institutions and investors from Pakistan and Uzbekistan.

The Business-to-Business (B2B) meetings, institutional interactions and networking sessions planned during the delegation are intended to facilitate meaningful dialogue, identify areas of mutual interest and lay the foundation for future cooperation.

These engagements are expected to support commercial agreements, technology exchange, investment initiatives and stronger institutional relationships that continue beyond the conference itself. This objective is consistent with the official delegation programme, which emphasises B2B meetings, industrial visits and the facilitation of Memoranda of Understanding (MoUs).

“Trade opens the door; trust, dialogue and follow-up turn opportunity into partnership.”

LOOKING TOWARDS THE FUTURE

The future of Pakistan–Uzbekistan relations will increasingly be shaped by the private sector. Entrepreneurs, manufacturers, exporters, investors and chambers of commerce have an important role in expanding trade, encouraging innovation and building sustainable economic partnerships.

The Sarhad Chamber of Commerce & Industry believes that today's dialogue can become tomorrow's investment, today's introductions can become tomorrow's joint ventures and today's conference can become the foundation for a stronger economic relationship between Khyber Pakhtunkhwa and Uzbekistan.

As delegates return from Tashkent with new ideas, contacts and opportunities, they also carry forward a shared vision of regional prosperity built upon trust, cooperation and enterprise.

“Today's dialogue can become tomorrow's investment.”

KHYBER PAKHTUNKHWA

A Province of Opportunity

Khyber Pakhtunkhwa (KP) occupies a unique position in Pakistan's economic and geographic landscape. Located at the crossroads of South Asia and Central Asia, the province has historically served as a gateway for trade, commerce and cultural exchange. Today, it is emerging as a dynamic centre of entrepreneurship, industrial development and investment.

The province is endowed with natural resources, fertile agricultural land, mineral wealth and a resilient entrepreneurial culture. Over the years, KP has developed a diverse economic base encompassing manufacturing, pharmaceuticals, construction materials, agriculture, food processing, mining, tourism, information technology and services.

With improved infrastructure, expanding industrial zones and a growing focus on investment facilitation, KP is increasingly attracting the attention of investors seeking access to Pakistan's expanding market and the wider Central Asian region.

For the Republic of Uzbekistan, KP is more than a neighbouring province. It is Pakistan's closest commercial partner for regional connectivity, trade and industrial cooperation.

“KP connects strategic geography with enterprise, resources and regional opportunity.”

PESHAWAR

The Commercial Heart of Khyber Pakhtunkhwa

Peshawar, the provincial capital of Khyber Pakhtunkhwa, is one of the oldest continuously inhabited cities in the world and has served as a major commercial hub for centuries. Situated at the historic crossroads of the Silk Route, the city has long connected traders, merchants and travellers from South Asia, Central Asia and beyond.

Today, Peshawar remains the province's principal centre for commerce, trade, finance and entrepreneurship. Its business community represents pharmaceuticals, manufacturing, food processing, logistics, construction materials, packaging, education, healthcare, information technology and retail.

The city's strategic location near key border crossings enhances its role in regional trade and positions it as a natural gateway for economic engagement with Afghanistan and the Central Asian republics.

Supported by the Sarhad Chamber of Commerce & Industry, Peshawar's business community is increasingly looking outward — building partnerships, exploring new markets and participating in international trade missions such as the Business Excellence Awards & International Conference 2026.

Peshawar — the commercial heart of Khyber Pakhtunkhwa and Pakistan's historic gateway to Central Asia.

WHY INVEST IN KHYBER PAKHTUNKHWA?

Khyber Pakhtunkhwa offers a compelling value proposition for investors seeking long-term growth, resource access and regional market connectivity.

Investment Value Proposition

Strategic Location

Access to regional corridors linking Pakistan with Afghanistan and Central Asia.

Entrepreneurial Culture

A vibrant private sector with experience in manufacturing, trade and services.

Industrial Potential

Expanding industrial estates and diverse manufacturing capabilities.

Natural Resources

Marble, granite, gemstones and industrial minerals.

Agriculture

Fruits, vegetables, olives, honey and agricultural products.

Human Capital

Young, skilled and entrepreneurial workforce.

Tourism

Mountains, heritage sites and adventure tourism destinations.

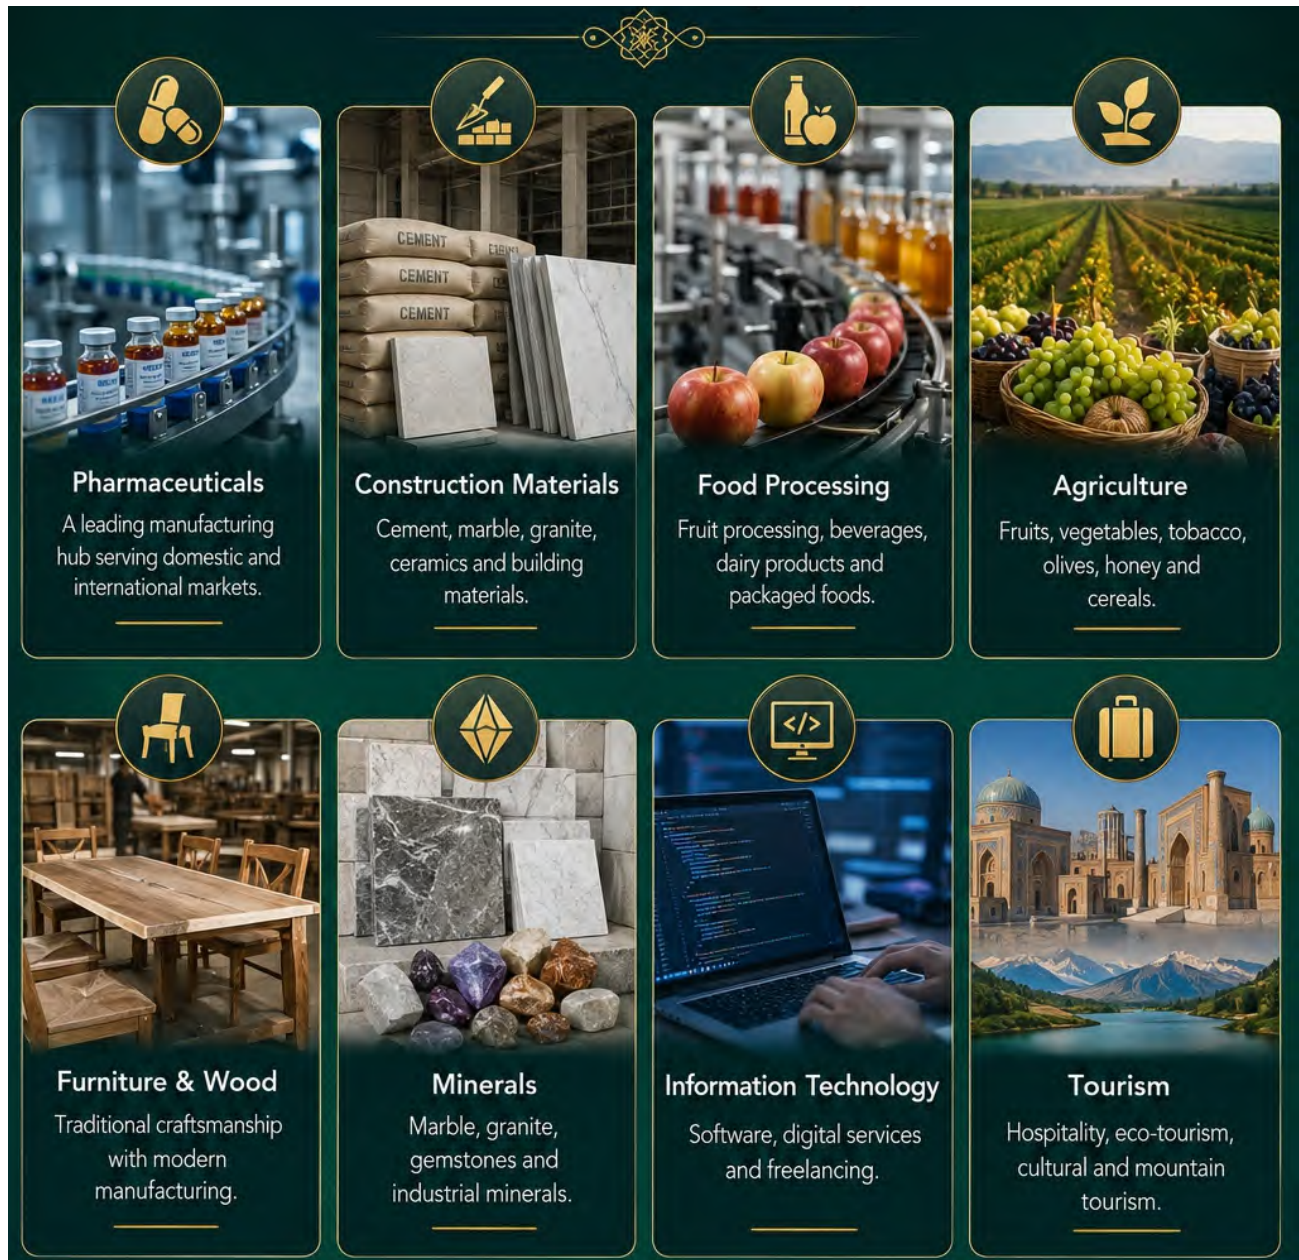

Digital Economy

Growing technology, freelancing and digital services ecosystem.

INDUSTRIES THAT DEFINE KHYBER PAKHTUNKHWA

Khyber Pakhtunkhwa has developed a diversified industrial landscape that contributes to Pakistan's economy and aligns strongly with the composition of the SCCI delegation.

Key Sectors

These sectors closely align with the delegation participating in the conference, highlighting the province's strengths in manufacturing, pharmaceuticals, packaging, logistics, agriculture and related industries.

EXPORT STRENGTHS OF THE PROVINCE

Businesses in Khyber Pakhtunkhwa have established themselves in national and international markets through quality products, entrepreneurial spirit and competitive pricing.

Major Export-Oriented Sectors

Pharmaceuticals	Marble & Granite	Furniture	Sports Goods
Leather Products	Surgical Instruments	Honey	Fresh Fruits
Processed Foods	Rice	Construction Materials	

The province continues to diversify its export base by encouraging innovation, value addition and market expansion.

"KP's export potential is strongest where quality, value addition and market access work together."

WHY KP & UZBEKISTAN ARE NATURAL PARTNERS

The economies of Khyber Pakhtunkhwa and Uzbekistan complement one another across several strategic sectors, creating practical opportunities for trade, investment, joint ventures and technology transfer.

Strengths of KP	Opportunities in Uzbekistan
Pharmaceuticals	Healthcare & Distribution
Construction Materials	Infrastructure Development
Food Processing	Agribusiness & Retail
Packaging	Manufacturing
Logistics	Regional Supply Chains
Information Technology	Digital Transformation
Tourism	Joint Tourism Promotion
Education	Skills & Academic Collaboration

“The partnership is practical because KP's strengths match Uzbekistan's development priorities.”

SCCI'S ROLE IN PROMOTING INTERNATIONAL BUSINESS

The Sarhad Chamber of Commerce & Industry plays a pivotal role in positioning Khyber Pakhtunkhwa as a preferred destination for trade and investment. Through policy advocacy, business facilitation and international engagement, the Chamber supports enterprises in exploring new markets and building strategic partnerships.

Trade Delegations Organising international missions.	B2B Networking Facilitating business matchmaking.	Conferences Hosting business and investment forums.	Export Promotion Supporting market diversification.
SME Support Encouraging entrepreneurship and growth.	Institutional Links Building foreign chamber partnerships.	Policy Advocacy Improving the business environment.	

The Business Excellence Awards & International Conference 2026 represents another milestone in SCCI's mission to connect the province's business community with emerging regional opportunities.

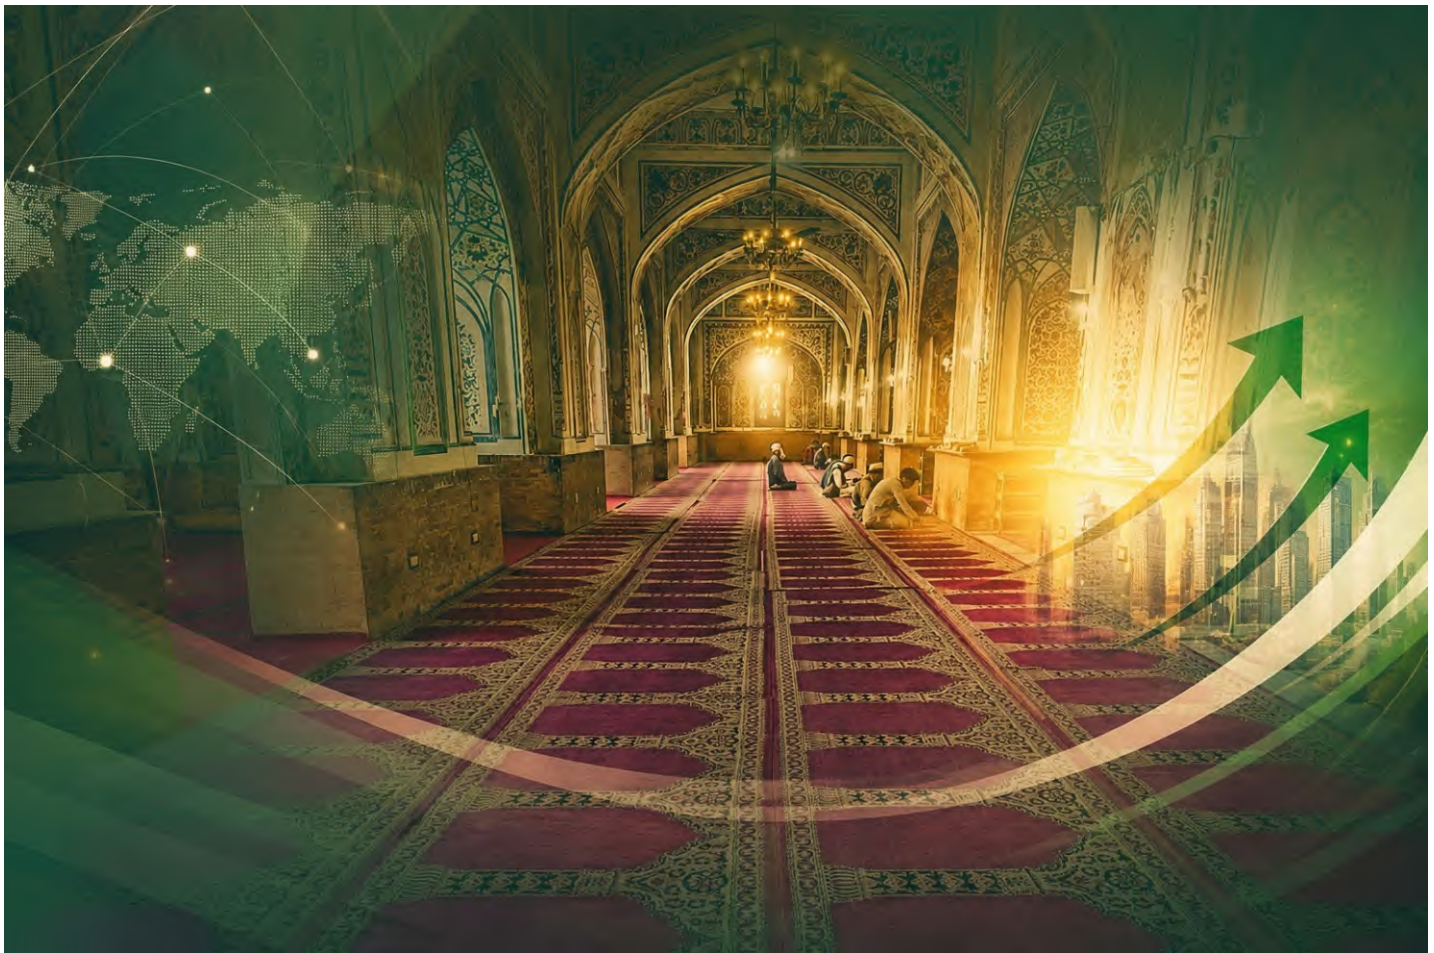

A VISION FOR THE FUTURE

The future of Khyber Pakhtunkhwa lies in stronger regional integration, innovation and international collaboration.

As connectivity between South Asia and Central Asia continues to improve, the province is well positioned to become a leading hub for trade, manufacturing, logistics and investment.

The Sarhad Chamber of Commerce & Industry envisions a future in which businesses from Khyber Pakhtunkhwa are recognised not only for their entrepreneurial spirit but also for their innovation, competitiveness and contribution to regional prosperity.

Through initiatives such as the Business Excellence Awards & International Conference 2026, SCCI seeks to foster enduring partnerships that create opportunities, strengthen industries and contribute to a more connected and prosperous region.

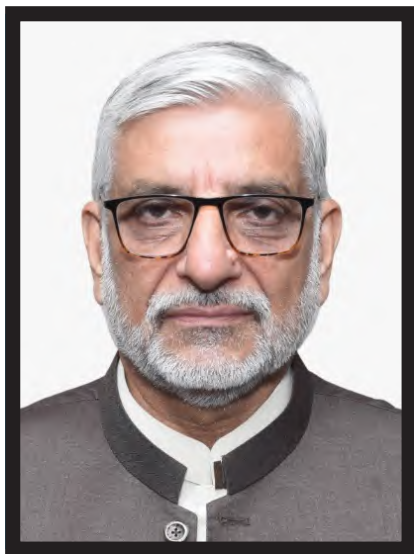

“Khyber Pakhtunkhwa's greatest strength is not only its strategic location — it is the resilience, innovation and enterprise of its people.”

City University of Sciences & Information Technology

Business Excellence Gold Medal Award - 2026

(Services Sector)

Category:
Education System

Muhammad Sabur Sethi
Director

City University of Science & Information Technology, Peshawar: ATAGLANCE

City University of Science & Information Technology (CUSIT), Peshawar recognized by Higher Education Commission is one of the first private sector Universities, Chartered by the Government of Khyber Pakhtunkhwa, in August 20, 2001.

Academic Programs:

CUSIT offers degree programs in Management Sciences, Computer Science, Mathematics, English, Civil Engineering, Electrical Engineering, Architecture, Health Sciences and Education. The various programs being offered by the University are accredited with bodies like Pakistan Engineering Council (PEC) and National Computing Education Accreditation Council. Since its establishment, the University has produced more than Five Thousands graduates in different disciplines. Apart from graduate level programs, CUSIT is also offering MS/Ph.D level programs.

City University Research Journal:

City University Research Journal (CURJ) is a specified, peer reviewed and Professional Journal that is published bi-annually. It has received International Standard Serial Number (ISSN); 2220-9174.

International Conference:

The University annually holds International Conference on Emerging Trends in Engineering, Management & Sciences (ICETEMS) in which scientists, engineers, researchers, professionals and students from all over the world interact and share their experiences... During 2014-17, CUSIT has arranged 6 international conferences at Pakistan, Greece, KL Malaysia and Dubai (UAE) in collaboration with international universities

QEC/ORIC

Following the HECs policy and regulations, CUSIT established Quality Enhancement Cell (QEC) and Office of Research, Innovation & Commercialization (ORIC) at the Campus. Both office are dedicated to develop assurance of quality education & research. CUSIT emphasizes on high quality research. The final year projects and theses have been aligned with the market and business needs. The well qualified and talented faculty of CUSIT is playing a great role in bringing improvement both in academic & research.

Facilities at the Campus

City University is equipped with Centrally Air-Conditioned Building, well stocked Libraries, Computer Laboratories, Civil/Electrical Laboratories & Workshops, Book Bank & Bookshop, Transport, Secure Parking, Cafeteria, Recreational Centre, Girls Common Room and Mosque.

Merit/Goodwill Scholarships

CUSIT offers liberal scholarships to meritorious students based on their academic achievements.

CUAA

CUSIT's Alumni Association (CUAA) has been established to have a social and interactive forum to work for the welfare of the present and old students.

CU-CSR

City University established 'Centre for Consultancy Services & Research' in Islamabad in 2015 with primary objective to look after the welfare of University students, faculties, and administrative managers/staff to help development their linkages and capabilities for engagements with wider community circles including industry, general services and academia.

Ajmal Khan Momand
CEO

Eclipse Resort Living and Mall Peshawar is a landmark mixed-use development designed to redefine luxury living, shopping, entertainment, and leisure in Khyber Pakhtunkhwa. Strategically located on Ring Road, Peshawar, this iconic 33-floor high-rise project combines world-class residential, commercial, and recreational facilities under one roof, creating a complete lifestyle destination for families, investors, and visitors.

Eclipse offers a unique blend of modern architecture and smart technologies, featuring an advanced Smart Car Parking System, premium commercial spaces, luxury residential apartments, and state-of-the-art entertainment facilities. The project includes a vibrant Fun Zone, spacious Food Courts, elegant Outdoor Restaurants, and a grand 4K Cinema Hall, providing a world-class experience for visitors of all ages.

For residents, Eclipse delivers a premium lifestyle with beautifully designed apartments, exclusive health and recreational amenities, and dedicated spaces for relaxation and social gatherings. The development features swimming pools, a fully equipped fitness club, tennis courts, squash courts, and luxurious Jam Clubs. A beautifully designed mosque ensures spiritual convenience for residents and visitors alike.

Adding to its exceptional character, Eclipse incorporates a Helipad, making it one of the most prestigious and advanced developments in the region. With its combination of intelligent infrastructure, luxury residences, premium retail outlets, entertainment facilities, and world-class recreational amenities, Eclipse Resort Living and Mall is set to become the new symbol of modern urban living and an iconic destination in Peshawar.

Laiq Jan
CEO

The company started back in 2018 by chief Executive Mr. LAIQ JAN having over 25 years of experience in successful business and is passionate about exceeding your expectations.

The product line consists of Men, women and kids Shoes we also offer accessories like cap, bags socks etc. The Skechers Stores are focused on the need of the whole family and all ages of the customers.

Back in 2020, the business saw its expansion in its operational branches and opened new branches in LAHORE, SIALKOT, FAISALABAD, MULTAN and all across PAKISTAN.

The business is now being handled by Mr LAIQ JAN and his sons ATEEQ UR REHMAN and MUJEEB U REHMAN

Vision:

To become the first choice of casual and sports footwear by providing an exceptional and exciting customer experience for the entire family, while ensuring the longevity of both the JAN & SONS company and the SKECHERS brand name through controlled, well managed growth.

Mission:

The mission of JAN&SONS is to make Skechers Stores the most trusted footwear store in the country by offering authentic Skechers brand products, supported by knowledgeable and professional customer service executives. Customer service will be measured through repeat business. our goal is to make Skechers store experience unlike any other, to spare no effort to deliver exceptional product value and service. Our goal is to provide both a superior customer experience and tremendous value for our customers.

The Taste of Peshawar - Since 1991

WHO WE ARE

Salman Sweets & Bakers has proudly served Peshawar since 1965, building a legacy of quality, tradition, and community. Our brand has earned a well-deserved reputation as one of the region's finest bakeries — built on an uncompromising commitment to freshness, taste, and customer satisfaction, delivered by a team of 900+ passionate craftspeople.

OUR JOURNEY

1965 Founded as a small neighbourhood bakery in Peshawar, serving the community with traditional recipes.

1991 Formally registered and trademarked as Salman Sweets & Bakers, expanding production and product range.

2000s Expansion to flagship branches on Circular Road, Gulbahar, and Dalazak Road.

2020s Launch of sister brands Foodies and Freezo, establishing Salman Group as a multi-brand food enterprise.

OUR COMMITMENT

Quality, People First, Community, Integrity, Responsibility, and Curiosity guide everything we do — from sourcing the finest ingredients to treating every customer as family. Salman Group is recognised by the KP Food Safety & Halal Food Authority and is proud to be one of Peshawar's leading private-sector employers, supporting 900+ team members across our brands.

Daudsons Armoury (Pvt) Ltd.

Business Excellence Tropy Award - 2026

(Industrial Sector)

Category:

Defence Store

Ali Hakimuddin Daud
Director

Daudsons Armoury in its present form is a prodigy of an entrepreneurial family dealing in the Sporting Arms and Defense Weapons trade for over two centuries. Its present work premises is situated in Industrial Estate, Kohat Road, Peshawar. It has been an engine for technological advancement in Sporting Arms and Defense Weapons production in the private sector in Pakistan.

Daudsons Armoury was the first private sector defense industry in Pakistan to get both ISO 9001 and ISO 14001 certifications. This advancement by Daudsons Armoury is due to its adoption of State of the Art CNC technology coupled with in-house CAD/CAM facilities. To achieve this end, Daudsons has invested to a great extent in Machinery, Equipment and in its Work Force. Daudsons was one of the pioneers in introducing CNC machine technology in Pakistan.

Daudsons has adopted the methodology of continuous improvement in its organization in every sphere of its activities. In Daudsons, we give top priority to the quality so as to ensure customer satisfaction. Exquisite workmanship and waste elimination is given due care in the production of various products relating to Sporting Arms, Defense Weapons and Armaments.

Daudsons moved into its present premises in early 1960s as a small industry. Today, by the grace of God it covers an area of more than 120,000 square feet and makes quality products falling under several categories. We humbly bow our heads to God Almighty for our success and thank our customers for the trust & confidence reposed in us and for their continued loyalty.

Vision:

To inspire you with performance solutions you never knew you needed and can't imagine living without.

Mission:

To Make All Athletes Better Through Passion, Design, and The Relentless Pursuit Of Innovation.

A Group with a Conscience

As a business we don't take anything for granted.

& Services

Shehzad Qaiser
CEO

[Pak Suzuki Motors Company Limited](#) is one of Pakistan's leading automobile manufacturers and operates through a network of authorized dealerships across the country. Suzuki Charsadda Motors is recognized as 3S authorized Suzuki dealership in Charsadda, Khyber Pakhtunkhwa, providing 3S automobile services under the Pak Suzuki dealer network.

Company Overview

Business Name: Suzuki Charsadda Motors Business Type: Authorized Suzuki Automobile Dealer

Dealer Category: 3S Dealership (Sales, Service & Spare Parts)

Location: Near Motorway Interchange, Nowshera Road, Charsadda, Pakistan

Affiliation: Authorized dealer of Pak Suzuki Motors Company Limited

Contact Number: +92 91 6951044 / 0300-9595212

3S Dealership Services

A 3S dealership provides three core automobile services under one roof:

1. Sales

Suzuki Charsadda Motors deals in the sale and booking of Suzuki passenger and commercial vehicles, including:

Suzuki Alto	Suzuki New Cultus	Suzuki Swift
Suzuki Every	Suzuki Fronx	

The dealership assists customers with vehicle booking, delivery, registration guidance, and financing support.

2. Service

The dealership offers after-sales vehicle maintenance and repair services, including:

Periodic maintenance	Engine diagnostics
Oil and filter replacement	Mechanical repairs
Electrical work	Warranty claims Vehicle inspection

Authorized Suzuki workshops follow Pak Suzuki service standards and use trained technicians.

3. Exchange Program

Trade-in Any Brand: Customers can bring in their old car of any make or model and exchange it for a New Suzuki or a Suzuki Certified Used Car.

"Key-to-Key" Convenience: The process is designed to be seamless—customers can drive to the dealership in their old car and leave in their new one after paying the balance.

4. Spare Parts

The dealership provides genuine Suzuki spare parts and accessories for various Suzuki models, helping customers maintain vehicle reliability and warranty compliance.

Location & Accessibility

Suzuki Charsadda Motors is situated on Nowshera Road near the Motorway Interchange, making it accessible for customers from:

Charsadda	Shabqadar	Nowshera	Mardan Mohmand Agency	Bajor Agency
-----------	-----------	----------	-----------------------	--------------

Merage districts of Khyber Pakhtunkhwa

Market Role

The dealership contributes to the regional automobile market by:

Providing authorized Suzuki vehicle sales

Delivering certified maintenance services

Ensuring availability of genuine spare parts

Supporting local employment and automotive services

A Vision Built on Trust, Growth & Excellence

With decades of entrepreneurial experience, **Shafiq Afridi** has established himself as a respected business leader whose vision extends beyond commercial success. His commitment to quality, innovation, and customer satisfaction has contributed to the growth of businesses that create value for customers, employees, and the wider community.

As the driving force behind **Toyota Khyber Motors**, he has helped build one of the region's most trusted automotive dealerships by maintaining world-class standards in sales, after-sales service, and customer experience.

Expanding his vision into the retail and commercial sector, he also leads **Axis Mall**, a modern mixed-use development designed to provide premium shopping, dining, and business opportunities while contributing to the economic growth of Khyber Pakhtunkhwa.

His leadership philosophy is built on integrity, long-term relationships, continuous improvement, and a customer-first approach. By embracing innovation while staying rooted in strong ethical values, he continues to inspire excellence across every venture.

Today, Shafiq Afridi remains committed to creating sustainable businesses, generating employment opportunities, and contributing to the region's economic development through responsible leadership and strategic investment.

“Success is measured not only by business growth, but by the positive impact we create for our customers, our people, and our community.”

Junaid Altaf
CEO

25 YEARS OF TRUST. A LEGACY OF QUALITY.

FEDRO PHARMACEUTICAL LABS is a fast growing pharmaceutical industry, which has a competitive edge over other contemporary pharmaceuticals. Fedro Pharmaceutical Labs is a manufacturing unit which has been in this industry for the last 25 years.

OUR JOURNEY

It is fortunate to be the pioneer manufacturing unit of pharmaceutical medicine in Khyber Pakhtunkhwa of Pakistan, which started off with small scale manufacturing of basic antibiotics and cough syrups.

COMPETITIVE EDGE

Initially Fedro had a direct competition with those MNC's and local manufacturing firms which dealt in same range of product line.

LEADERSHIP

The ownership of the company is with **Haji Altaf Ahmed**, who was a renowned business name of Peshawar. There is overall supervision of **Mr. Fawad Altaf** (CEO), who has been serving the people, the humanity for the last 22 years, by producing quality medicines in the best of the capabilities, therefore we will never compromise on quality of medicine.

GROWTH & EXPANSION

The greatest achievement which has been witnessed in the last 3-4 years is the tremendous expansion in the product range and market development of the brand FEDDO.

OUR PRODUCTS

Broadly speaking the company is involved in making of General products, Cough Syrups, Pain Killers, Antibiotics, injectables, Blood and Urinary Alkalizer to name a few.

QUALITY ASSURANCE

Company has ISO Certification 9001:2000, 9001:2008, 14001:2000. This proves its constant evaluation towards the achievement of quality excellence, environment and quality management.

OUR PEOPLE

The staff and production team are well qualified, experts and second to none in their respective holds.

OUR PRODUCT RANGE & MANUFACTURING SECTIONS

CAPSULE SECTION / DRY SYRUP

- Antibiotics
- Penicillin
- Non Penicillin
- Drop Syrup

TABLET SECTION

- Analgesics
- Cephalosporin
- Quinolone
- Macrolid

CEO

WHO WE ARE

Inspired by Innovation, Built Through Effort

Established in 2017, Supreme Art (PVT) Ltd has evolved from a modest startup into one of the leading fast-growing packaging companies in Peshawar. Under the dynamic leadership of our CEO, Sajjad Zaheer, we have earned recognition for providing high-quality, tailor-made packaging solutions to businesses around the globe. We are dedicated to advancing the pharmaceutical industry by providing innovative, reliable, and high-quality Printing solutions. We strive to lead the industry by maintaining the highest standards of excellence, sustainability, and customer satisfaction, contributing to the well-being of society and the growth of the pharmaceutical sector Objective

To deliver end-to-end pharmaceutical and food packaging solutions from design and printing to packaging and delivery with a focus on quality, safety, and reliability for every client.

VISION: To provide the fastest most reliable, and most integrated packaging supply chain on the market, minimizing client lead times and maximizing speed-to-shelf with zero compromise on quality.

MISSION: Our mission is to design, print and manufacture superior quality, innovative, and cost-effective packaging that protects products, elevates brand identity, and ensures reliable, timely delivery.

What Makes Us Different

- Full-cycle service: We handle everything from designing and printing to packaging and free nationwide delivery.
- High capacity: Production capability of over 1.5 million boxes per day.
- Specialized solutions: Anti-counterfeit packaging, color-shifting seals, thermal foiling, and hot stamping.
- Food-safe standards: Food-grade coatings and specialized drip-off coatings that meet safety requirements.

Our Services

- Pharmaceutical and food packaging design & printing
- Customized packaging coatings and food-grade coatings
- Drip-off coatings for product protection
- Thermal foiling and hot stamping for premium finishes

STRATEGIC PARTNERS

Strategic partners represent the institutional support behind the conference and delegation. Each partner should be presented with its logo and a one-line description.

ACKNOWLEDGEMENTS

The Sarhad Chamber of Commerce & Industry extends its sincere appreciation to all institutions, organisations and individuals whose dedication, cooperation and support contributed to the successful organisation of the Business Excellence Awards & International Conference 2026.

We gratefully acknowledge the Government of Pakistan, the Government of the Republic of Uzbekistan, the Government of Khyber Pakhtukhwa, the Embassy of Pakistan in Tashkent, the Embassy of the Republic of Uzbekistan in Islamabad, the Ministry of Commerce, Pakistan, the Trade Development Authority of Pakistan (TDAP), the Federation of Pakistan Chambers of Commerce & Industry (FPCCI) and business associations, sponsors and corporate partners, members of the Organising Committee, participating delegates, volunteers and specially the staff of SCCI.

Their collective support has transformed this initiative into a meaningful platform for regional business cooperation, investment dialogue and international engagement.

“Successful international initiatives are built through institutional trust, private-sector commitment and shared purpose.”

CLOSING MESSAGE

Together Towards Regional Prosperity

As this publication draws to a close, it is fitting to reflect not only on what has been accomplished, but on the opportunities that lie ahead.

The Business Excellence Awards & International Conference 2026 has brought together entrepreneurs, industrialists, policymakers, investors, diplomats and institutions with a shared vision: to strengthen economic cooperation, foster meaningful business relationships and unlock new opportunities between Pakistan and the Republic of Uzbekistan.

For the Secretariat of the Sarhad Chamber of Commerce & Industry, it has been both an honour and a privilege to coordinate this important international initiative. Every meeting, dialogue and partnership established during this mission reflects the collective commitment of our business community to engage beyond borders and contribute to a more connected and prosperous region.

As delegates return to their respective countries, they take with them far more than memories of a successful conference. They carry new ideas, valuable relationships and renewed confidence in the power of collaboration. The conversations initiated in Tashkent have the potential to evolve into enduring commercial partnerships, joint ventures, investment opportunities and lasting friendships between our business communities.

This publication has been prepared not merely as a record of an event, but as a reflection of shared aspirations. It documents the achievements of business leaders, showcases the strength and diversity of Khyber Pakhtunkhwa's private sector and highlights the immense potential for cooperation between Pakistan and Uzbekistan. We hope it will continue to serve as a useful reference and a reminder that sustainable economic progress is built through trust, dialogue and long-term partnership.

I extend my sincere appreciation to the President, the Group Leader of the Businessmen Forum, the Executive Committee, the Organising Committee, our distinguished delegates, partner institutions, sponsors and the dedicated SCCI Secretariat team whose professionalism and tireless efforts made this initiative possible. I also express heartfelt gratitude to our hosts in the Republic of Uzbekistan for their warm hospitality and cooperation throughout this journey.

The Sarhad Chamber of Commerce & Industry firmly believes that the future of regional prosperity lies in stronger business connectivity, innovation and mutual trust. Together, we have taken another meaningful step towards that future.

May this conference mark the beginning of a new chapter in Pakistan–Uzbekistan economic relations and inspire continued collaboration for the benefit of our businesses, our communities and future generations.

Thank you for being part of this remarkable journey.

Muqtasid Ahsan
Secretary General

“Connecting Businesses • Creating Opportunities • Building Regional Prosperity.”
